

Initiative Expectations

Stakeholders Quick Survey

You have decided to pursue an economic development initiative focused on growing area entrepreneurs employing the Center's Entrepreneur Coaching development framework and process.

We would like to take stock of your expectations. Please share your definition of success for the following periods that you hope this initiative can realize.

By the end of this year, I hope we have achieved the following impact outcomes:

1
2
3

By the end of three years, I hope we have achieved the following impact outcomes:

1
2
3

Your individual responses are confidential. If you are willing, please share your name so we can follow up and clarify any questions:
