

## The Community Support Test

### Simple Community Readiness Test

Complete the following, indicating your level of agreement with each statement. Mark a score from 1 to 5, where 5 means strong agreement with the statement and 1 means little agreement with the statement.

Statement	Score*
1. Most people in my community understand that entrepreneurs are critically important to the future development of our economy.	
2. People in my community really support someone who is creating a new or expanding an existing business.	
3. People in my community continue to support an entrepreneur who fails and is trying again with a new enterprise.	
4. My community has developed programs to assist entrepreneurs to develop and grow.	
5. My community is supporting a youth entrepreneurship program in the schools.	
<b>Total Score</b>
